Phonocon 2023

THIRUVANANTHAPURAM 17,18,19 February

Annual National Conference of the
Association of Phonosurgeons of India (APSI)
in association with AOI Trivandrum

**UDAY SAMUDRA LEISURE BEACH HOTEL,
KOVALAM, THIRUVANANTHAPURAM**

Dear colleague,

We are extremely happy to host you for the Phonocon 2023, to be held at Thiruvananthapuram. Laryngology has made rapid strides in the last two decades, so much so that general ENT surgeons may even feel a little bit apprehensive about managing many of the laryngeal disorders. The Phonocon 23 aims at bridging this gap and making the generalists super confident in dealing with various voice, swallowing and airway disorders. While there will be didactic lectures, panel discussions and surgical video sessions by eminent faculty- national and international- we tend to stress on making the surgeons comfortable with the diagnosis and management of various laryngeal disorders. Highlight of the conference will be WALK THE TALK, which means there will be a plethora of Instructional courses and Hands on workshops, for the delegates to practise what they have learned from the lectures by the doyens in the field. Please join hands with us to make this a land mark event
